

HOW TO MEASURE

STEP 1

Place your feet on a piece of paper against a wall or door.

STEP 2

Draw a line at the end of your biggest foot.

STEP 3

Measure the distance between the wall and the line with a ruler.

STEP 4

Compare the distance in centimeters with the sizes as presented in the size chart.

STEP 5

Choose the size closest to your personal foot measurement. If you are in-between sizes, we recommend taking the bigger size.

STEP 6

Place your order.
